## CLASSES DESCRIPTIONS

**All classes will follow the 2025 APHA Rule Book. It is the exhibitor's responsibility to understand the classes before entering the arena.**

**LEADLINE:** Youth Leadline (non-APHA) class entries are free. Leadline competitors must wear a helmet when showing. Open to exhibitors 10 years of age or under. Shown at a walk on the lead line. Exhibitors may not enter any other riding classes at Zone-O-Rama. Horses may be of any breed or ownership. Please enter at the show office by the start of the show on the day Leadline is scheduled to run. **Handlers must be at least 16 years old.**

**ENGLISH VERSATILITY:** Horses work individually in this pattern class that combines elements of working hunter mixed with a bit of trail, the spirit of ranch riding, the flow of dressage and the elegance of equitation. The horse will be ridden on light contact without requiring undue restraint. The overall manners and responsiveness of the English Versatility Pattern horse to make timely transitions in a smooth and correct manner, as well as the quality of the movement and maneuvers are of primary considerations. Judges may opt to use one of the suggested five patterns or create their own, meeting the required and optional maneuver guidelines.

**WESTERN VERSATILITY:** Each horse will work individually, performing both required and optional maneuvers. The horse should reflect the versatility, attitude, and movement of an all-around performance horse. The ideal Western Versatility Pattern horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The horse will be ridden on a loose rein without requiring undue restraint. Movement, expression, and attitude are of utmost importance. Judges may opt to use one of the suggested five patterns or create their own, meeting the required and optional maneuver guidelines.

**NON-PRO VERSATILITY:** A combination between Hunt Seat Equitation, Showmanship, and Horsemanship (on the rail). Exhibitors will enter the arena to first complete their Equitation pattern and then are excused to change to Showmanship. Once all Equitation patterns are completed, exhibitors will follow the same draw order for their Showmanship pattern, then line up on the rail. Once all Showmanship patterns are complete, exhibitors will move to the centre of the arena and one groom per horse will bring in their tack and clothing to change-over to the horsemanship portion (wheelbarrows are allowed). Time limit of 5 minutes to tack and mount the horses. Challenge will be judged 30/30/10/30 for Equitation/Showmanship/Change/Horsemanship.

**PLEASE REVIEW THE 2025 APHA RULE BOOK PRIOR TO ENTERING**
